GWYNETH ROBERTS

To Appear In Local Concert

Gwyneth Roberts, violinist, is the daughter of Mr. and Mrs. Ieuan M. Roberts, of Calgary. She has just graduated from the University of Alberta, Calgary, with her Bachelor of Music degree.

She will appear in a concert of classical music at Vulcan on June 18, along with Margaret Anne Jamison and Heather Lindstedt. For the past five seasons Gwen has been a member of the Calgary Philharmonic Orchestra. Last summer she was chosen to play in the National Youth Orchestra and toured with them in Eastern Canada.

Gwen has appeared in many recitals on and off campus during her student career. The climax of her studies was her senior recital given on April 13, 1965, with Miss Margaret Anne Jamison as accompanist.

During the past two years, she has fostered a growing interest in composition. This year she has written a sonata for viola and bass, Variations for String Orchestra, performed April 7, Impressions for violin and piano, performed April 13. The latter will be performed on the program June 18. Gwen is presently working on a symphony.

Outdoor Concert Saturday

Music, Mirth Featured At County Band Concert

An estimated 225 patrons attended the concert of the Vulcan County Senior Band at the Hazel Cameron Elementary School Saturday night and were treated to an interesting mixture of serious and lighthearted music and oddball comedy during the two-hour program.

From the opening march, S.I.B.A., the band jumped into the well-known Pomp and Circumstance which preceded the first soloist of the night, Bill Hale and Larry Graff, two second-year trombonists with the band played a duet which was well received and this was followed by a trumpet polka featuring Steve Plytko and Peter Pickersgill.

A horn solo, Carnival of Venice, was played by another comparative newcomer, Fred DeJong and a few numbers later, following the selections, I'll Never Smile Again and Hey, Look Me Over, and the difficult New Colonial march, Randy Steiner, accompanied by his mother, played a baritone solo.

The ladies of the band, Marcella Steiner, Susie and Sally Gies, Marta Gottenberg Eunice Schierman, Rose Ann Findlay presented a song and dance routine in dresses which barely covered flashing ankles. The number was Just Because and was called back for an encore.

The story of The Three Bears,

Service Held For Edith Dow

Edith F. Dow, beloved wife of Guy T. Dow and mother of Robert, passed away June the 1st in Holy Cross Hospital after a lengthy illness.

Besides her husband and son she leaves to mourn her loss her mother Mrs. Edna Fleming, one brother and five sisters, a step daughter and step son and a number of nieces and nephews.

Services for Mrs. Dow were conducted by the Rev. Bruce Fyke of Champion United Church at Fosters Garden Chapel, Calgary, Friday, June 4th, 1965.

Palbearers were M. Gottenberg, D. Causey, L. Voisey, F. Selland, J. Roebuck, L. Roberts. Interment followed in Burnside Cemetery.

Edith was born in Champion in the year 1916 daughter of Mr. and Mrs. F. Fleming and was married to Guy Dow on April 2, 1937.

Edith was a devoted wife and mother and an enthusiastic worker in the Champion Ladies Curling Club and the IODE. She will long be remembered for her cheerful personality with the art of making and keeping many friends. In the time of trouble, Edith was the first to lend a helping hand. She will be missed by all, who have known her devotion to good and kind works.

Numerous floral tributes spoke highly of the esteem in which the deceased is held.

Sat. Trail Ride For Horse Group Well Attended

Twenty-five members of the Vulcan and District Light Horse Association and their horses participated in the one-day trail ride held Saturday.

The group left town in the morning with Budd Andrews' grove of trees some five miles from town as their destination. The weatherman co-operated fully with one of the warmest and calmest days of the season.

A sumptuous lunch awaited the riders and aside from a lame horse that had to be left along the way, one lad's horse that preferred standing in the slough to anything else and a porcupine being tree-d by Andrew's dog, Big Ben, the first ride of the season was most enjoyable.

The next gymkhana which will be held at the Elk's ball park on July 1st will be open to all members of riding clubs and will feature jackpot as well as amateur events.

Church Observes 53rd Anniversary

Anniversary services commemorating the 53 year history of the United Church at Vulcan will be held this Sunday at 11 a.m.

Rev. Jas. Shorte, a former resident and now United Church minister at Strathmore, will be guest speaker, with Rev. W. Dormer as resident minister.

It was in 1905 that the roots of the congregation were started by Methodist and Presbyterian student ministers at Vulcan.

The old church was built in 1914 as a Presbyterian church and was remodelled during the ministry of Rev. J. S. Clarke.

On Sunday afternoon a Sunday School and congregational picnic will be held at Little Bow Park at 2 p.m. This will be pot luck and those present will eat together. A vesper service will be held at 5:30 p.m.

W.S.W.S. Holds June Meeting

Women and the Church of Japan, the land of flowers, was the theme of the June meeting of the WSWWS held at the home of Mrs. C. Deal. Several ladies, dressed in Japanese costume depicted the traditional customs of that land, namely the art of Chanoyu (tea ceremony) and Ikebana (flower arranging). This was carried on in the Tokonoma — an alcove which is regarded as the most important room where Japanese entertain guests. Later the role of the modern Women of Japan was portrayed showing the similarities to other people. The aim of the program was to create an awareness of Japanese women living in a culture which treasures the traditional while being challenged by rapid change, and to get a picture of the work of EUB missionaries in Japan.

My Bonnie Lassie, a favorite Scottish marching song was next heard followed by a big band version of Tiger Rag in which drummer Gordon Goldhawk exhibited some exceptional drumming technique.

Band master Art Dee appeared as soloist for the next number and was accompanied by the band in Trumpeter's Lullaby.

The Beguine Festival, a collection of 15-year-old favorites was then heard and followed by a (Continued On Page 12)

School Athletes Honored

Glen Gorbous Speaker At Athletic Awards Banquet

"Hard training and sacrifice in an athlete's life is a must", Glen Gorbous, guest speaker of the Athletic Award Banquet told his audience, "and certainly pays off in the long run."

Over one hundred teachers, parents, guests and students gathered at the cafeteria of the County Central High School Wednesday, June 2 to honor the young athletes of the year.

James Rhodes acted as master of ceremonies with the invocation being given by Rev. R. Pelham.

Donald Green, principal of Hazel Cameron Elementary school spoke briefly on the administration of the county's sports and presented the awards as follows: Football, Bob Letal; girls' volleyball, Lorraine Roebuck; boys' volleyball, Bob Green; curling, Larry Stettner, Dave Clark; senior basketball, Drew Price and Susie Robertson; junior basketball, Brenda Christensen, Randy Carruthers; County basketball, Gerald Cutforth; junior badminton, Brenda Christensen, James Connolly; senior badminton,

Shirley Sandberg, Dave Clark; Sr. girls' table tennis, Lorraine Roebuck; Sr. boys' table tennis, Brian Leback; Jr. girls' table tennis, Marion McNeven; Jr. boys' table tennis, Lee Hong, cheerleading, Sr. Penny Bloxham, Jr., Patti Richardson; Jr. track & field, Craig Haga, Tom Klippert, Barbara Babuk; Sr. track & field, Marilyn Webber, Doug Munton; Very important sports people, Norma Christensen, Delores Doane, Jack Williams, Dave Puzey; Best all around athletes, Ina Haverly, Bob Green.

Glen Gorbous, with his dry humour, proved most entertaining. He related many of his experiences in professional baseball, poking fun mostly at himself and generally keeping his audience in stitches.

After congratulating the honored students, the late Mr. Mumby, County Central High Principal paid tribute to the parents who "must surely possess true sportsmanship to have allowed these youngsters the time necessary to have gone so far." His kind words of wisdom will well be remembered.

Horse Fans Geared For Race Meet

Friday's the day! The horses will be running, the dust will fly, good looking gals will saunter by and the Lake McGregor Race Meet will be on again for its 11th running.

This biggest of county yearly outdoor events has a history of successes attributable to an overall average nod from the weatherman and a lot of plain hard work and professional promotion by a dedicated group of ranchers, farmers and businessmen in the country adjacent to Lake McGregor.

For years the two-day show featured horse racing where fans just hollered their encouragement but for the last two or three years with the advent of pari-mutuel betting the hollering has been able to be backed up by a smattering of green stuff now and again.

Officials of the race meet feel there'll be no shortage of good horses to run both days and there is a good possibility of several "A" circuit horses coming in. Limited stabling facilities at the race meet at Edmonton may force some owners to move horses to such events as this.

At least 12 chuckwagon outfits are expected which should assure patrons of four races each evening. This highlight feature draws the same outfits which go on to compete in the big shows such as the Calgary Exhibition and Stampede and on the smaller track and close proximity to crowds this event becomes downright thrilling.

Once again provision is being made to hold one viewing area open to older folk who will be able to

park their cars and watch from within if they desire.

The list of things to do at the race meet can keep one hopping. There is a dance each night and a race meet county queen will be chosen at Friday night's dance at Queenstown; there are gymkhana events, foot races, the big parade Saturday morning, picnicking, boating, fish in the lake that bite and they say the golf course is in real good shape for those needing the change to peace and solitude.

The children aren't forgotten either. Eateries with those stomach provoking floss sticks, cones, soft drinks and hot dogs will be there and to mix it all up the faithful Garrett Midway will have an assortment of rides and games to take up any extra slack.

Let's Go Swimming Sat.

Youngsters who have been silently marking time will be pleased to hear that the Lions Club Memorial Swimming Pool will open its doors for another season, weather permitting, this Saturday, June 12.

Repainting has been done, the pool has been repaired and the staff will be ready to go. Chief instructor is Keith Ferguson of Calgary whose qualifications made him a successful applicant for the summer job. Pat Christensen and Allan Hubbard will be on hand for pool supervision and swimming instruction while Gladys and Don Beuhler will be back again handling the desk and in pool maintenance.

Rates are the same as in 1964: Children, \$4.50; 12 and over, \$6.50, and adults \$7.50. The setting of family rates may be considered if there appears sufficient interest to warrant such an experiment.

Start of general lessons will be Monday, July 5, but ladies' swimming instruction will begin June 14, from 2:00 to 3:00 p.m. Registration should be made by that date. Adult swimming from 8:00 to 9:00 p.m. during the summer may also be possible. This was held during 1964.

County Crop Reports Indicate Growth Conditions Near Perfect

Conditions on the weather scene this past week appear somewhat reminiscent of the wet years with the crop practically all in other than flax, but mostly cool weather holding back early growth.

From 12 Alberta Wheat Pool reporting stations within the county rainfall has gone from nil at Champion to only three-tenths of an inch at Queenstown so a little actual rainfall has occurred but no extended heat periods have been felt.

Since the beginning of May Brant, Ensign and Vulcan districts have received from 1.28 to 1.7 inches of rain while Champion with a total so far of 1.4 inches is

low spot for the area south of Vulcan. Kirkcaldy reports 2.2 inches while Carmangay has 2.23 and Peacock has had 2.9 inches. Rainfall at Lomond and Armada had totalled 2.1 while over in the Milo, Arrowwood and Queenstown regions readings are from 1.85 at Milo to 2.4 at Queenstown and 2.5 inches at Arrowwood.

No signs of grasshoppers have been reported by agents yet and summerfalling is well under way.

At Carmangay rye is now in the shot blade stage. Wild oats could be a problem there in early sown grains on infested fields. Weeds are starting to show and spraying will be general within ten days in this area.

Heights of wheat, oats and barley crops range from 0 to 3½ inches depending on various dates of seeding and amount of heat in parts of the county.

Sunday night's low temperatures left a touch of frost on some green leaves of garden vegetables in Vulcan.

LUCKY 13

The Kinsmen Club of Vulcan suit-of-the-month raffle was drawn for the month of May at a regular meeting on June 2. The lucky ticket holder was Boyd McKay with ticket No. 13.

Receives Mounbatten Award

Lynda Dann of Vulcan whose life saving feat last year brought her the Calgary Power Ltd. Junior Citizen award, a special plaque from the Vulcan Lions Club and deserving recognition from many, was recently given the highest award of the Royal Life Saving Society, the Mounbatten Medal.

On May 20, in company with her mother and Progressive Conservative MP, Dr. Lawrence Kindt, Miss Dann attended a short ceremony in the Parliament buildings at Ottawa at which The Earl Mounbatten of Burma, the Grand President of the Royal Life Saving Society presented her with the award. She is shown above with Earl Mounbatten and in the back is Lt. Gen. Guy Simmonds, Canadian President of the Royal Life Saving Society.

The citation which was read by Lt. Gen. G. C. Simmonds was worded as follows: "The Royal Life Saving Society, The Mounbatten Medal for 1964 has been awarded to Lynda Ruth Dann of Vulcan, Alberta, Canada . . .

On the afternoon of Sunday, 26 July, 1964 a 12 year old boy and a ten year old girl were wading in Racehorse Creek, Alberta, and suddenly slipped into deep water. The boy's father, a non swimmer, went to their assistance and was able to push the boy towards a bystander by whom he was pulled to safety. He and the girl then disappeared below the surface of the water. Lynda Dann aged 15 years who had been called to the scene, removed her shoes and swam out into the pool. At a point indicated

5 Years As Principal

Town, County Saddened At Passing Of H. Mumby

A life dedicated to the teaching profession ended suddenly at Vulcan Friday, June 4 when Herbert H. Mumby, principal of County Central High School, died of a heart attack, at the age of 56.

Mr. Mumby had been attending to his duties at the school and late in the morning became ill and was taken to the hospital where he was attended by Dr. A. D. Tompkins.

High School classes continued Friday and Monday but were suspended on Tuesday of this week for the funeral service.

Fellow teachers, students, the Vulcan community and County parents whose families are channelled into Central High and under the jurisdiction of Mr. Mumby, were deeply shocked by this tragic event. The County council, of which J. M. McKay is school committee chairman, met on Monday and expressed similar feelings of regret at this sudden passing.

Home for the funeral with Mrs. Ruth Mumby were surviving family members including two daughters, Mary, Edmonton, and Carol, Vulcan; three sons, F.L. George of RCAF Station at Penhold and now posted to Kashmir, India, Constable Donald, RCMP, Sault Ste. Marie, Ont., and Larry, Vulcan, and one granddaughter, Mr. Mumby was predeceased by a son, Gordon in 1948.

Born in Gainsborough, Lincolnshire, England, Mr. Mumby came to Lethbridge in 1920 where he received his education. He attended the Calgary Normal School, 1928 and 1929, Queen's University and the University of Alberta, where he received his B.Ed. degree.

Before his five years as school principal here the deceased had taught for 30 years throughout Southern Alberta and was principal at schools at Grassy Lake, Vauxhall, Barons, Crossfield and other points.

An active Mason, Mr. Mumby had served as District Deputy Grand Master and at the time of his death was Past D.D.G.M. He was a member of the Crossfield Masonic Lodge, an honorary member of the Vulcan Masonic Lodge No. 74 and was a member of the Scottish Rite Lodge of Perfection, Calgary and Rose Croix, Calgary. He was a life member of the Starlight Chapter OES, Crossfield and a member of St. Aldhelm's Anglican Church, Vulcan. For many years he had served as lay reader within the Anglican diocese of Calgary.

Since coming to Vulcan and in his position as principal, Mr. Mumby had become known and respected by a wide range of people outside of school circles. But his first love and a vocation to which he devoted himself completely, was his school and the preparation of his students for their life in society.

The weight of his demanding responsibilities as mentor of this centralized school was further increased with the expansion last year of County Central High to include vocational training. With assistance of vice-principal Fred Cartwright, Mr. Mumby organized and supervised adult night classes during the winter months of 1964-65.

Recurring minor illness finally forced Mr. Mumby to relinquish his senior position. This was to take effect this fall at which time he was to assume the role of teacher only at County Central. It is ironic that he was just about three weeks short of fulfilling his term as principal at the time of his final illness.

In addition to his administrative

duties Mr. Mumby taught Geography 20, Grades 7 and 8 Drama and Drama 10 and 20. He has

HERBERT H. MUMBY

coached several play groups in extra-curricular presentations at Vulcan and points around the county and the present drama (Continued On Page 7)

Challenge Trophy Still In Hands Of Local Pair

Ray Wellman and Glen Gorbous maintained their hold on the Foot-hills Best Ball Challenge Trophy when they won another close 18 hole match 1 up over Wally Thrun and Don Djuve of High River on Monday.

The teams ended the first nine all even as the four birdies scored were split, with all players picking up one.

Wellman had two birdies on the second nine and Wally Thrun one as the match went down to the wire.

18 hole medal scores for the four players were Wellman 69, Thrun 71, Gorbous 77 and Djuve 78.

Nanton's Annual Golf Tourney was held last Sunday in weather more suitable to duck hunting. However a fair crowd turned up and as the day wore on, the weather and golf both improved. Gordon Stauffer of Turner Valley won the men's championship over Jim Creighton of Nanton. Ray Wellman of Vulcan won the First Flight edging Dan Watson of Vulcan by one stroke.

Marion Franklin of Turner Valley won the Ladies Championship over Doris Creighton of Nanton. Veda Boutland of Vulcan won the First Flight.

Ray Wellman also copped first prize in the Horse Race with Wally Thrun of High River second and Ted Robley of Nanton getting the show spot.

Dave Deitz of Milo was the winner of the Lions Zone Tournament held in Vulcan on Sunday.

Next Tournament action is at High River next Sunday, and on Monday the Vulcan men's club plan their annual bus trip, this time to Waterton Lakes. The Vulcan Open Tourney follows on Sunday, June 20.

The Home and School Association capably served the banquet which was followed by a brief program by the students. Following the toasts, and some songs by Grades 7 and 8 chorus, Leslie Hubka, Students' Union president, bade farewell on behalf of the senior class.

Principal Earl Brinton addressed the students on the qualities they would need to develop in future endeavors. Dean Cousins, of the Lethbridge Junior College as guest speaker, in a very unique manner, charmed all present as he spoke of the need for an education in the Age of Automation.

Dancing in the auditorium decorated for the occasion in the theme, Some Enchanted Evening, concluded the evening, arranged by the Grade 8 students.

BRIDE-ELECT SHOWERED

A miscellaneous shower was held in the United Church basement on Saturday, June 5 in honor of Miss Donna Hubka, bride-elect of June 19.

A springtime garden was the theme with a wishing tree all decked out and each guest wrote out a wish and pinned in on to the tree for Donna to keep as a remembrance.

Mrs. G. McGinnis acted as master of ceremonies. The program consisted of a reading and two short contests were conducted. The amusing part was dressing the bride party from the bride down to the bride's mother and groom's mother. Miss Judy Hubka was in charge of the guest book.

Seated at a lace covered table which was adorned with a bride's cake and red tulips was the honored guest, her mother Mrs. Rudolf Hubka, groom's mother Mrs. A. Ulrich of Champion, bridesmaids, sister Linda and groom's sister Monica. The gifts were drawn in on a wheelbarrow and presented by Miss Gayle McFarland and Mrs. Sheila Arndt.

After the gifts were passed around Donna expressed thanks for the lovely gifts on behalf of herself and Dwight and to the hostesses for putting on the shower and making it such a memorable day for her. Lunch was served to conclude the evening.

A weekend camp with 16 girls and their leaders Joan Ross and Buelah Hubka was spent at Mrs. Gower's farm. Chris and Linda helped with test work.

Jacquie Fraser received her wings in a fly up ceremony on June 1. Plans are now under way for a week camp at Dutch Creek from July 2-8 with three other towns, Coaldale, Champion and Claresholm. A good program is planned and fair weather is hoped for.

POTLUCK SUPPER

The Carmangay Guides, Brownies and their leaders hiked over the hills to the camp kitchen to join their mothers there for a Potluck Supper on Tuesday evening, June 1st. This was the closing exercise for the Guides and Brownies for the season.

Following a delicious meal the mothers held a short meeting to appoint a Camp Committee to take care of details for the Guides' Summer Camp.

It was with deep regret that it

was learned that Captain Buelah Hubka has asked for a year's leave of absence from her duties as Guide leader. It is seven years ago that Captain Buelah started the Guide movement in Carmangay and there are many grateful girls and mothers who thank her for her interest and work with our Guides. A Guide Leader is urgently needed and it is hoped that there will be some lady who is willing to continue with this youth organization.

ANGLICAN GUILD MEETING

The Anglican Church Guild met at the home of Mrs. W. Nielson for the May meeting. The June meeting will be held at Mrs. W. McIntyre's on Wednesday, June 23. Reports were given on the Fellowship breakfast and the Women's Association Deaneery meeting at Claresholm.

The Guild also entertained the Rev. G. Chitomo and Mrs. Chitomo on their visit to Carmangay where they visited the school and told of life in Tanzania East Africa. A discussion on who is a Christian brought out some interesting facts.

Clothing will be collected to be sent in August and should be clean and useable.

JAMES DAVEY

A well known former Carmangay resident James Davey died in a Calgary hospital on May 26.

Mr. Davey was born in Bampton, Devon, England, in 1874 and came to Carmangay in 1910. He was a carpenter and helped build many of the buildings in the district. He became manager of the Beaver Lumber here.

During the years he spent in the town he was active in the Anglican church and also served as town councillor and later mayor for some years. He was secretary of the Community Hall Board and of the local Stampede committee; also a former member of the IOOF and was Worshipful Master of Robt. Burns Masonic Lodge in Carmangay in 1927 and in 1933.

For a short time he was manager of the Beaver Lumber in Barons but returned to Carmangay to the business here.

Mr. and Mrs. Davey moved to Victoria, B.C. when he retired, then to Red Deer and finally made their home in Calgary. They celebrated their Golden Wedding Anniversary in 1964.

Funeral services were held at Foster's Garden Chapel on May 31, with the Rev. Albert Collier, of the Anglican church, Carbon, Alberta, officiating.

The congregational hymns were "The King of Love My Shepherd Is" and "Blest Be The Tie." Organist was Mrs. Elaine Braithwaite. Pall bearers were Arnold Hermans, Tom Hillard, George Cairns, Phillip Bastin, Les Tmswell and Lee Robertson all of Calgary.

Interment was in Queens Park Cemetery.

Survivors include his wife Mrs.

Mary M. Davey of Calgary, two sons James M. of Calgary, and George C. of Edmonton and two granddaughters Mrs. Karen Duke of Guelph, Ontario and Miss Janice Davey of Calgary.

Those attending the funeral for J. Davey in Calgary from Carmangay were Mr. and Mrs. R. Craig, Mr. and Mrs. A. C. Wynn, Roy Church, Syd Thompson and Mr. and Mrs. J. W. Nielson.

Yuma residents can figure on 230 sunny days in an average year.

4-H IN THE DISTRICT

4-H Homemaking clubs in the district completed their club year by holding their Achievement Days last week. It was really a pleasure to be present, not only to judge and see their projects, but also to enjoy the interesting programs put on by the girls.

The members are always anxious to find out the results of their years work. Since all Achievement Days were so well supported by the communities, I felt many of the district people would be interested too.

Pam Scott is the efficiency winner in the Parkland Clothing Club. Judy Berger is the Club Week Delegate and Dixie Morrison the Alternate Delegate. This club is led by Mrs. Jeanette Nelson and has successfully completed its first year.

Lois Bruns is the efficiency winner in the Picher Creek Clothing Club and is the Club Week Delegate. Lorraine Bonertz is the alternate delegate. Mrs. Hilga Bruns is the leader of the club.

Joan Marr is the efficiency winner in the Twin Butte Clothing Club. Francine Marr is the Club Week Delegate and Lynne Bonertz the Alternate Delegate. Mrs. W.

Bonertz is their leader.

The Club Week Delegates will attend an enjoyable week at Olds Agricultural and Vocational College from July 25th-July 31st. Here they have a chance to meet and share ideas with 4-H members from many other clubs.

The Delegate to Provincial Eliminations is Marie Stenson of the Twin Butte Clothing Club. Although this Elimination isn't until August 4th and 5th, Marie is busy now preparing.

What's New?

Aluminum Lined Freezers — are now being marketed by one manufacturer. The aluminum lining is the inside finish (replacing porcelain enamel). Aluminum conducts the cold much more quickly, which in turn freezes the food faster. In this particular make, the lining is fastened to the coils which provides immediate contact — fast freezing as well. It is not supposed to build up moisture as quickly, and therefore, frost does not form as easily on the inside.

Household Furnishings Made of Fiberglass Beta Yarn — a word of warning from the manufacturer. Under NO circumstance should drycleaning fluids be used on it. Wet cleaning is the proper treat-

BRANT

You are invited to attend the 61st Anniversary of the Brant United Church and the 40th anniversary of Church Union, Sunday, June 13. Rev. Morse Johnson of High River will be the guest preacher. The Calgary choir will be in attendance.

Several from Brant attended the bridal shower for Miss Joan Auld at the home of Mrs. Elinor Bateman in Calgary on Wednesday evening.

Mrs. W. J. McMullen has returned to Calgary after spending 10 days at the home of Mr. and Mrs. E. W. Prater.

HOME & SCHOOL ASSOCIATION

The final meeting for the current season of the Brant Home and School Association was held in the school on June 2. Routine business was carried out and plans made for parent assistance with the school track meet on June 4th. Mrs. McNiven reported that music teacher, Mrs. Colliton, hoped to teach here again next year, but was still not certain that she could be available.

Nominations Chairman, Mrs. F. Olsen reported the following slate of nominees: President, Mrs. M. Gallagher; 1st vice-president, Mrs. P. Dingwall; secretary, Mrs. E. Hall; treasurer, Mrs. M. McLean; program convener, Mrs. Holboff and Mrs. E. Green. These elections

were all by acclamation and a ballot vote for 2nd vice-president resulted in election of D. Irwin to the position.

In the program session, Mr. McKay outlined the plans for renovation of the school and showed the building plans for the school addition which will be commenced during the summer holidays. An addition of five classrooms is to be built while school continues in the old premises, and on completion of the new unit, the old rooms will be demolished. It was pointed out that part of the school is over 50 years old, which is the estimated life of such buildings according to Department of Education planning.

Teachers and parents alike look forward to completion of the new building.

Following the program, Mrs. M. Gallagher was called on to express the appreciation of the Home and School for the fine co-operation of Miss B. Thorp — a member of the staff for the past two years. A small gift from the organization was presented with best wishes for success in her future plans. Miss Thorp very ably expressed her appreciation.

Meeting closed with lunch served by Mrs. Stinson and Mrs. V. Wellman.

A Life Of Dedication

The sudden passing of County Central High School Principal H. H. Mumby is a stunning blow to the general public and the hundreds of county students under his care. Not only these students but young men and women of the last five years graduating classes have felt his influence and profited immeasurably by his gift of communication.

In his own way Mr. Mumby was able to get through to his students, sort out their troubles, reveal the strong traits of character and make mature men and women out of growing boys and girls, able and willing to take their place in society.

Such an attribute, so essential in the vital role in education, is found in too few men and women in the teaching profession today. In Mr. Mumby was a man who had this gift of communication and in his 35-year career his life was dedicated to his school and his students to the exclusion of all else, except his family.

The almost frightening demands of today's education, and the bewildering complications faced at the administrative level were a constant challenge to Mr. Mumby and in the case of County Central High this problem was further heightened by the recent inclusion of vocational training.

The pressure began to show on Mr. Mumby in recent years but it was not until early this spring that he bowed to the warnings of failing health, and offered his resignation as principal.

Though slight of stature Mr. Mumby was a strong voice of influence and guidance to his students. If he had a fault it may have been that he let his devotion, spirit and desire to fulfil his mission call for more than his physical being could sustain. He will be missed along the corridors of County Central High.

(Continued From Front Page) group had arranged a final outing at Little Bow Park on June 18 to wind up the year's activities.

The body of the deceased was brought for its final time to familiar surroundings of the High School Auditorium on Tuesday afternoon at 2 p.m. where an overflow crowd of over 600 students and parents gathered for the funeral service. In front of the flower banked altar on the stage were the High School glee club and the choir of St. Aldhelm's Church while surrounding the casket below the stage were other beautiful floral tributes before a background of lilac blossoms. Organist was Mrs. Robert Todd.

Conducting the service was The Right Reverend G. R. Calvert, Bishop of Calgary and Reverend Victor G. Cowell of St. Aldhelm's.

In his eulogy Rt. Rev. Calvert spoke with affection of his 14 years of personal friendship and association with Mr. Mumby and his family and described this present gathering of friends as a "service of love and grief and utterance of faith in the family of God." He spoke of the deceased as a man dedicated to the preparation of young men and women for their life beyond the school and as citizens of Canada. In closing he said, "He gave his best . . . for him the trumpet has sounded on the other side."

Attending the service in groups were members of the Vulcan Masonic Lodge, the Eastern Star, school principals from throughout the county, teachers and members of the county council.

Following the service the funeral party and several carloads of friends journeyed to Lethbridge where interment was at the Mountain View Cemetery.

Pall bearers were F. Cartwright, W. Babuk, J. O'Reilly, A. L. Schrag, J. M. McKay and D. D. McQueen.

There is an education opportunity for everyone in Alberta

Albertans have education opportunities second to none in Canada. In addition to a broad, general, academic system, Albertans enjoy the services of specialized education programs — schools for retarded children, education for the blind, sight-saving classes, instruction for the hard-of-hearing, and residential schools for children who are totally deaf.

The Correspondence School Branch offers courses for credits towards an Alberta High School diploma, and special adult matriculation programs may be arranged. Courses are also available for Grades 1-IX.

Alberta maintains Institutes of Technology in Calgary and Edmonton, Agricultural and Vocational Colleges in Olds, Vermilion and Fairview. These schools are the most advanced of their type in Canada. They provide students who have left, or

graduated from, the regular schools system with technical, agricultural, pre-employment or apprenticeship training.

The Students Assistance Board provides scholarships, grants and loans under the authority of the Students Assistance Act, the Queen Elizabeth Education Scholarship Fund and under the Canada Student Loans Plan. Scholarships, grants and loans are made available to students attending university, vocational, agricultural and nursing schools, to high school students and to those attending junior colleges and the Banff School of Fine Arts.

To Albertans, education has assumed a position of great importance, as is evidenced by the large sums of money spent in the province to build and maintain our schools and colleges.

trict eliminations at Milo and at the South Central meet at High River two records were set by the boys. Brian Smith broke a record in the discus throw with a toss of 105 feet, 10 and one-half inches while Brian Lebsack ran the 880 yard dash in a new record time.

FROM THE LEGISLATURE

by J. Wally Strang
I wonder how many people have taken the time to sit down and write to members of the government either in an official or unofficial capacity. Some two weeks ago this writer took upon himself to write a letter to the Attorney General's office requesting certain information about the legality of a contest.

Now I know governments have a reputation of moving slowly but just how slow can they get. The information requested was in regards to a proposed bowling alley contest. While this might not be important to the A.G.'s office, it was most important to the bowling alley operator. It seems to me the least the government could do, would be to acknowledge receipt of a letter even if they are reluctant to send an official reply.

It is probably no secret that bowling alleys throughout the province are not doing a flourishing business and subsequently must rely on gimmicks or promotions of one type or another in order to continue to operate. It may be time for certain members of the government to take a good hard look at some of the ridiculous regulations that now exist, and as an example I refer to the advertising of the word "FREE" TV and radio at motels or hotels. This plus some contest regulations make it difficult for some commercial firms to promote as effectively as they would like.

ANOTHER PUBLICATION

To let our readers in on a brand new story which has yet to break, a new magazine called "Canada's Fabulous Northwest" is slated to hit the news stands some time in July. Already the B.C. Government has taken 24 pages and numerous large national Canadian industrial firms have made very generous contributions.

The one unique part of the magazine is that there will not be any display advertising other than on the insides of the covers and each page will feature no less than 40 per cent in pictures. The

magazine which is being published in British Columbia is carrying feature stories on the three Western Provinces.

LOOK AHEAD

Look for a major announcement within two weeks that will tell of millions of dollars of Japanese money being invested in Alberta. The development concerns an operation close to Edmonton in which a number of Europeans have also expressed their desire to enter. First reports indicate at least three million dollars is on its way from the Orient.

Report From Parliament Hill

Lawrence E. Kindt, M.P.

Parliament has been busily engaged in a debate on how the Rules of Parliament may best be changed in order to assist Parliament in carrying out its functions more expeditiously.

There is much misunderstanding of Parliament, and consequently a great deal of serious and uninformed criticism. It is described as being inefficient; its rules and procedure obsolete; its organization of business antiquated. Reform of Parliament is today's catch-phrase. People say that the sessions last too long; that Members talk too much; that speeches should be shorter; that time limits should be imposed before debates are commenced. "Streamline this procedure" we are told, "and get down to business."

The weakness of the criticism is based on a misunderstanding of the function of Parliament. Parliament is not an administrative body, it is a place for debate. We look to the Cabinet and to the Civil Service to carry out administration. Twenty Departments have been set up for that purpose, and thousands of civil servants are employed to carry on the day-to-day work. Parliament's duty and task is to examine government policy, its taxation and spending programs, and its legislative proposals.

Members of Parliament may agree on some issues, but on many they disagree. Parliament is the place for argument, where differences of opinion are aired and where attempts are made to resolve those differences. Parliament is the focus of public opinion and governments often have to modify or withdraw their proposals if debate and controversy in the House of Commons discloses that the course of action should be changed.

I consider that the citizens of Canada should be concerned not with the length of Parliamentary sessions or the length or number of Members' speeches, but rather with the function of Parliament. They should be concerned with the policies of the Government, with the alertness and activity of the Opposition. For our system recognizes that to maintain freedom and our democratic way of life there must be an Opposition in Parliament to restrain the Government from arbitrary or autocratic action; to redress grievances; to check unnecessary expenditures; to disclose wrong doing to public view and generally to express the varying points of view of freedom loving people.

For our system is founded on the freedom of the individual within the law. Members of Parliament are representative of that freedom. Its maintenance is assured if it is the will of the people that freedom of speech be maintained. Restrictions rigidly imposed on that freedom in Parliament would lead inevitably to dictatorship.
